Studio School of Arts
and Culture
330 – 18th Street
Brooklyn , N.Y. 11215

March–April 2010

What's Happening This Month
in 5th Grade:

Reading: Historical Fiction Book Clubs

Writing: Historical Fiction

Math: Measurement (Linear, Volume, Capacity, Conversion) Algebra, Geometry & review of previous units

Social Studies: The Immigrant Experience

PBIS Corner

PBIS - (Positive Behavioral Intervention and Supports) We are pleased to report that many of our students are following the beliefs of being respectful, responsible, and safe. This is evident in the amount of bee cards they are collecting. They will be redeeming these cards for rewards from our PBIS catalog.

Helpful Reminders:

- Every night make sure homework is completed. Emphasize content and quality.
- **Every Thursday check orange folders for parent notices**
- Reading: Check in and listen to what your child has read and learned from his/her 30 minutes of required nightly reading. Also, check the Reading Log

to make sure that it has been filled in correctly.

- Math: Basic Math Facts need to be mastered: addition, subtraction, and especially Multiplication Facts from 1 - 12.
