

Get Involved at PS 295: Committees

These standing committees support our children's education experience all year round. Many of these committees offer schedule-friendly jobs that can be done from anywhere and are not pegged to the school-day hours. Please sign up for the committees that you're interested in learning more about so the person in charge can contact you. Signing up does not constitute a specific role or commitment-- it's just a way to help put you in touch with the right people. Exact roles are determined within specific committees.

Name: _____ Child(ren)'s name and grade(s): _____

Phone: _____ Email Address: _____

- Library Committee:** The PS 295 library is entirely parent-run. Sign up for a library shift to help shelve, repair, and maintain the collection.
- Development:** Grants and corporate sponsorships are a big part of the funding mix for PS 295, paying for everything from our music program to classroom smartboards. The grant writing/fundraising team does vital work that can be done anytime, from anywhere.
- Arts Committee:** Support our art teacher, manage the arts and crafts experiences at our events, arrange special performances, and find new ways to fill our students' days with inspiration
- School Merchandise:** Spread the PS 295 spirit by helping to design and sell the T-shirts, coffee mugs, tote bags, and other school merch we offer throughout the year.
- Technology Committee:** If you have technical skills, we need you! Join the team that works on our website and digital communications. Communication is crucial to an engaged community, and this is a job that can be done anytime from anywhere.
- Photography Committee:** Help us capture and share awesome events like the school play, dance festival, field day, and all our PTA events and programs.
- Drama Support:** You'll find photos of our fabulous school musicals on the website. Guess who sews the costumes, paints the scenery, runs things backstage, and takes tickets at the door? That's right—you!
- Gardening Team:** Our gardens are the pride of the school! Help us maintain our planters, water our crops, and keep PS 295 green.
