

## PS 295 First Day 101

### Welcome and Welcome Back!

Here are some tips to help you find your way on the first day at PS295

#### **DROP-OFF:**

Kindergarten-5th Grade Drop Off is at 8:20 am in the 19th St. Courtyard

PreK parents: Please see the drop-off and pick-up instructions that were sent home to you in your letter.

K-5 will line up in the 19th St. Courtyard. Your kids will line up by class; the numbers are painted on the ground. They are by grade then room number, ie 2-107. You can find your classroom number in the letters sent home with class assignment information.

- Grades 3-5 on the right

If you do not know which class your child is in, find someone with a clipboard. They will direct you.

School supplies/snacks may be given to the teacher unless he/she needs assistance bringing them up. Parents are welcome upstairs on the first day, but please wait for instruction by the teacher before going up.

Kids will each lunch at school, as is the practice for all days school is in session (half or full).

#### **Meet the PTA**

After going up to your child or children's classroom(s) come have bagels and coffee in the 19th Street courtyard with the PS 295 PTA and learn all about the great events and opportunities we have planned for this year!
